

ABOUT COMPLETE CARE MANAGEMENT, INC.

We are a recruitment agency dedicated to helping international registered nurses and international U.S. nursing graduates achieve their dreams. We provide top of the line care management services for New York Managed Long Term Care Plans (MLTCs)

ABOUT CARE MANAGER

The Care Manager RN coordinates care management services and assures the quality of care for MLTC members.

The Care Manager RN collaborates with a Social Worker and Care Management Coordinator to develop a thorough plan of care that addresses the specific needs of each individual member.

All members of the care management team interact with the member, thereby assuring continuity for the member in the delivery and coordination of services.

DUTIES INCLUDE

- Develops and updates the individualized care plan based on a comprehensive assessment of members in consultation with the member and family/caregiver and the assessment nurse
- Reviews member's medical status and issues, identifying follow up issues
- Conducts ongoing monitoring of member's health, safety, and functional status, and progress towards established goals
- Implements the care plan and authorizes/arranges for delivery of covered services consistent with the care plan
- Conducts ongoing communication and collaboration with a member, family caregiver, or member's designated representative, as well as with member's PCP and other significant health care providers
- Provides coordination of care transitions, including discharge and transition planning from the hospital or nursing homes
- Serves as primary contact with member's PCP or specialist physicians as well as member's long term care service providers
- Monitors member's medication adherence in conjunction with the RN, Care Management Supervisor
- Provides education/coaching in self-management of disease processes
- Conducts monthly outreach to the member to check on member's status
- Updates member case records
- Participate in Quality Assurance and Improvement activities as directed by the Director of Care Management
- Other duties as assigned by the Care Management Supervisor and/or the Director of Care Management
